Fifth freedom: Two Fords

Who says you have to be independently wealthy to enjoy the fun and independence of two Fords?

Fact is, you can own *two* Fords for the price of *one* expensive car. And Ford has features this year that even have the higher-priced cars taking notes.

Take styling: No matter which of Ford's 20 new models you choose, you'll get a car that's completely new, with the stunning Sculptured Look that gives Ford the Mark of Tomorrow.

No other car on the American Road can touch a Ford. Proof? A stock model '57 Ford averaged 108.16 mph for 50,000 miles at Bonneville, Utah.

Choice? Ford gives you your choice of not one, but two big-car sizes. There's the Custom and Custom 300 Series, over sixteen luscious feet of car. Or you can choose from nine even longer Fairlane and Fairlane 500 models, over seventeen feet of pure dreamboat. There are 20 new Ford models . . . all styled with the Mark of Tomorrow.

And look at the choice of power. Beginning with the new Mileage Maker Six and going right through the series of V-8 engines you can get your own brand of sizzle, including a Thunderbird 312 Supercharged V-8 that delivers 300 hp and a 270-hp Thunderbird 312 Super V-8.

And all of this is at low Ford prices. No wonder the swing is to *two* Fords this year!

Two Fords are easy to swing
